LEGAL EXPERIENCE

Manaswee possesses a vast background in dealing with a diverse range of legal issues. He is dedicated to delivering pragmatic legal remedies that cater specifically to each client. Some of his accomplishments are demonstrated below:

- Successfully obtained favorable decisions at the Central Intellectual Property and International Trade Court, resulting in the revocation of the Board of Trademarks' decisions regarding refusal of Trademark registration, Trademark opposition, Trademark Cancellation, for clients from various industries including a Dutch online travel agency platform, an Italian luxury fashion house, a Japanese electronics manufacturing corporation, a German solar energy equipment supplier, and many others.

- Represented a telecommunication conglomerate corporation in Thailand and successfully obtained a preliminary injunction from the Central Intellectual Property and International Trade Court in disputes regarding broadcasting right violations of both the 2018 and 2022 FIFA Football World Cup Finals.

- Assisted one of the largest E-Commerce companies and secured dispute settlement agreements in several matters relating to Trademark and Copyright infringement on the Digital Platform, as well as violations of the Platform's Terms and Conditions.

- Advised a major telecommunication company on several administrative disputes regarding concession agreements against State Enterprises, in relation to various telecommunication laws and regulations, such as issues of frequency band, data communications technology, and long-distance call services.

- Represented a Singaporean Game developer and publisher in a contractual dispute concerning Esport Tournaments of a widely recognized multiplayer online battle arena game and obtained a settlement agreement acceptable to all parties involved.

- Advocated on behalf of a British multinational oil and gas company in a trademark infringement case based on the client's rights of a combination of colors trademark and other relevant trademarks and service marks.

- Advised a state-owned Thai bank regarding bankruptcy and civil and commercial matters in relation to the insolvency of the flag carrier of Thailand.

- Assisted a government organization established by the Research Fund Act and coordinated a dispute settlement with a foreign counterparty in relation to a patent licensing contract.
