LEGAL EXPERIENCE

Wattanakit's extensive experience encompasses a wide array of complex legal matters. He is committed to providing practical legal solutions tailored to each client's unique circumstances, ensuring that their rights are protected, and their interests are fiercely defended. Some of his achievements are demonstrated below:

- Represented company directors of a Korean-Thai semiconductor chip manufacturer in a contractual dispute and successfully obtained a favorable decision, resulting in a return of stock ownership worth more than USD 3 million at the Civil Court.

- Helped a Japanese manufacturer and seller of wellness care, baby, and childcare products in a complex lawsuit with a claimed amount of over USD 3 million against a Financial institution regarding employee's fraudulent act. This case involved the complicated issue of forged signatures, which required coordination with the Central Institute of Forensic Science to prove the client's claim.

- Successfully represented one of the largest companies in the Thai Sugar industry in a key trademark lawsuit against a previously affiliated company and helped claim joint ownership of several trademark registrations and applications for use with the client's sugar products.

- Defended a Finnish elevator engineering company and its company director against a defamation claim sued by the company of the client's ex-employee at the Criminal Court.

- Assisted a university lecturer by filing a lawsuit to claim compensation from a private university for their unfair dismissal at the Central Labor Court and successfully obtained a satisfactory decision.

- Successfully represented Fire Tiger one of the famous bubble tea franchise sued The Fire Bear for infringement of trademarks, copyrights, and service rights, causing total damage estimated at about 150 billions bath.

- Represented the chemical import company which legally import chemical legally. Sued the administrative court to revoke the announcement from public organization which affects the rights of the chemical import company.

- Represented a real estate developer who is the landlord, sued the person who built the barrier to blocked their own land to block another landlord to pass the street. By requesting the court for judgment stating that the street is the public road and claimed the damage. Causing total damage estimated at about 2,500 billions bath.
